Answer Alabama Alaska Arizona Arkansas California Colorado Connecticut Delaware Florida Georgia Answer Hawaii Idaho Illinois Indiana Iowa Kansas Kentucky Louisiana Maine Maryland Answer Massachusetts Michigan Minnesota Mississippi Missouri Montana Nebraska Nevada New Hampshire New Jersey Answer New Mexico New York North Carolina North Dakota Ohio Oklahoma Oregon Pennsylvania Rhode Island South Carolina Answer South Dakota Tennessee Texas Utah Vermont Virginia Washington West Virginia Wisconsin Wyoming Take a trip down memory lane that'll make you feel nostalgic AF Score: 0% Rank: Correct Answer: The Social Security Administration (SSA) compiles a list of the most popular baby names over the past 100 years. This represents perhaps the most complete picture of the most common names in the United States. The following list includes both male and female names — ranked from 10 to 1— as well as the most common last names based on the 2010 census.Charles and Margaret MartinezIn 2010, 1,060,159 people in the US had the last name Martinez. This was the tenth most common last name in the country. Meanwhile, the tenth most common first names over the last 100 years have been Charles (2,144,937 or 1.23 percent of 173,916,919 male births) and Margaret (993,136 or 0.59 percent of 169,671,039 female births).Thomas and Sarah RodriguezThe ninth most common last name was also Hispanic. There were 1,094,924 Rodriguezes in 2010. And of all the baby boys born between 1918 and 2017, 2,174,023 have been Thomases. A total of 996,554 baby girls were named Sarah,Joseph and Jessica DavisTwo common 'J' names are the eighth most popular in America: the biblical Joseph and Jessica. These aCCounted for 2,384,205 and 1,043,436 baby names, respectively. Meanwhile, in 2010, 1,116,357 people had the last name Davis.Richard and Susan MillerA sum of 2,487,983 Richards amount to 1.43 percent of all baby boys born between 1918 and 2017. The 1,106,071 Susaras represent 0.65 percent of the total baby girl births. As for Millers, there were 1,161,437 of these recorded in 2010.David and Barbara GarciaAnother Hispanic last name comes in at number six. There were 1,166,120 Garcias in the 2010 census. But over the past century, there have been more than 3,557,293 Davids and over 1,410,059 Barbaras.William and Elizabeth JonesLove them or loathe them, the British royal family have long been the inspiration for baby names. There were 3,662,399 Williams born between 1918 and 2017 and 1,443,415 Elizabeths. Good luck keeping up with the Joneses, though; there were 1,425,470 of these in 2010.Michael and Linda BrownThe fourth most common last name in 2010 was Brown, with 1,437,026 occurrences. Michael and Linda were the fourth most common baby names in the century before 2018. There were 4,315,462 and 1,448,097 of these, respectively.Robert and Jennifer WilliamsRobert and Jennifer are both pretty versatile names. Diminutives include Rob, Bob, Robbie, Bobby, and Jen, Jenna, Jenny and Jennie. That might be why they're so popular. Of all baby boys born 1918-2017, 4,571,203 (2.63 percent) were called Robert, while 1,465,928 (0.86 percent) of all girls were called Jennifer. 1,625,252 people had the last name Williams in 2010.John and Patricia JohnsonOK, so you might not find many John Johnsons; but they both take the number two spot. A total 2.64 percent of baby boys (4,594,023 born in the last century) were given the name John, and the last census recorded 1,932,812 last names as Johnson. The 1,564,163 Patricias (Pat, Patty, Trisha, Trixie) represent 0.92 percent of all female births between 1918 and 2017.James and Mary SmithNo surprises here: Smith is by far the most common name in the USA. In the 2010 census, 2,442,977 of them were counted. James and Mary are the most common first names. But while there were just 198,931 more Jameses than Johns born 1918-2017, there were 1,829,293 more Marys than Patricias. The 3,393,456 females called Mary aCCounted for 2 percent of all girl births. So Michael puts Jessie to the test. Will she pass, or be a part of the 90% of Americans who forget at least one? Watch the full video below to find out! > So which state did Jessie miss?.... Be sure to try this for yourself and see how well you do! Hollywood Kyle is the Digital Content Producer and Production Director of Mix 99.5 WJBR. Being a Delaware local, Kyle takes pride in his hometown and has had a love for music since a young age. Hollywood Kyle joins the Mix Morning Show for abstract thoughts and ideas during "Hollywood Kyle" segment around 9-10am Monday thru Friday. Tags Coming up with a great name for your business is key to its success. The wrong name can send the wrong message about you, while the right name can give your business exactly the boost it needs. Check out the ideas of company names below.Find a Name That Conveys User BenefitWhen a business is starting out and is trying to make a name for itself, it can really benefit from a name that identifies what it does. Having the name of the type of service you provide or the product you create lets people know immediately what you do. It can help you stand out and be found by people who are looking for that specific product or service.Choose a Name That's Easily Searchable and Spelled ProperlyIt's fun to make up or choose names that are creatively spelled, but unless you have a massive marketing budget to promote that misspelled word, you'll be making it harder for people to find you. If you need every dime of your marketing outreach budget to be well spent, use proper spelling so that it's easy to find you.Choose a Name That Sounds Nice and Rolls Off the TonguePeople like saying pleasant or fun words. If your company has a name that sounds discordant or unpleasant, people won't want to say it. They'll subconsciously develop a negative association with the word and, by proxy, your business. Pleasant or fun words are much more important if you're trying to make your company name pleasant or memorable.Check Out Possible Names on Google AdWordsGoogle AdWords has a feature called the "find keywords" tool. Once you enter a possible company name into the tool, it will push out a list of similar search phrases. You're then able to see how phrases similar to your company name rank.Do a Thorough Name SearchThe absolute worst thing you can do is to finally decide on a name, only to find out that there is another USA company with that name. A legal name search will help ensure that doesn't happen. Check out the US Patent and Trademark Office for trademarks and Network Solutions for the domain name.
